INFORMATION SHEET

ADVERTISER

We are committed to providing you and your company with as much exposure as possible during and following the IACS Teachers' Convention. The convention program contains detailed information for schedules, workshops, speakers, and exhibitors. All attendees, speakers, and exhibitors will receive a convention book at registration. Advertising in the book gets your company's information into the hands of the attendees and back home with them for future reference. All information regarding advertisement size, location, and price can be found on the Advertising Contract. If you are interested in purchasing a convention book advertisement, please complete the online Advertising Contract on the teachers' convention website (www.iacsconvention.org). **A full refund will be issued should the IACS need to cancel the 2021 Teachers' Convention.**

EXHIBITOR

Being a convention exhibitor will provide your company the opportunity to meet and speak personally to approximately 200 attendees who are involved in educating students of all ages every day. What a great way to reach a targeted audience of education professionals! All information regarding booth size and pricing can be found on the Exhibitor Contract. To reserve your exhibit space, please complete the online Exhibitor Contract on the teachers' convention website (www.iacsconvention.org). **A full refund will be issued should the IACS need to cancel the 2021 Teachers' Convention.**

WORKSHOP SPEAKER

If you are interested in presenting a workshop, please email your topic (for consideration) by July 5th (laurenverway@gmail.com). Please note that an exhibitor does not receive an honorarium for presenting a workshop.
